

Dancing Into Homes Everywhere

Liscio is an Italian traditional music and dance inspired by Waltz, Polka and Mazurka originating from the northern Italian region of Romagna at the end of the 19th century. The swirling pattern of Vicenza Designs' Liscio line of knobs pulls and bathroom accessories brings grace and charm to your home, just as the Liscio does to Italian life.

Each of our 100% lead-free pewter products is handmade in Scottsdale, Arizona by artisans trained in the art of molding, polishing and plating. Offered in 12 different finishes, each item is made to order.
