

## THE FLEUR DE LIS COLLECTION

The fleur de lis, a stylized lily, has been a familiar symbol used for centuries for religious, political and artistic reasons. In Italy, the fleur de lis is found in icons of the first Bishop of Florence, Zenobius. The front of the Italian coin, florin, was decorated with this flower from 1252 to 1533. And, the Tuscan towns for Firenzuola and Castelfiorentino share a red fleur de lis on their coat of arms.

Now, the fleur de lis decorates knobs and pulls from Vicenza Designs. Handcrafted in Scottsdale, Arizona, from 100% lead free pewter, this new line is sure to please decorators and homeowners alike.

Available through dealers, interior designers, trade professionals and cabinet manufacturers.
