

# Vicenza Designs Products Finish And Insert Samples

These are samples of the different finishes, textures and stones available with Vicenza Designs products.

## Finishes

### Satin Nickel

Matte pewter finish with no antiquing or polishing.  
MATTE

### Antique Nickel

Matte grey finish with dark highlights; darker and more matte appearance than Antique Silver or Vintage Pewter.  
MATTE

### Oil-Rubbed Bronze

Dark brown/black matte finish; designed to patina with use.  
MATTE

### Antique Brass

Black antiquing over a mildly polished brass-colored finish.  
MATTE

### Vintage Pewter

Classic pewter color with black antiquing; includes the minor scratches and patina that come with age and are most noticeable on smooth surfaces.  
POLISHED

### Polished Silver

Satin nickel finish with polished highlights and matte recesses.  
POLISHED

### Antique Silver

Similar to Vintage Pewter except that smooth surfaces are more highly polished and do not exhibit the minor scratches and patina of Vintage Pewter.  
POLISHED

### Gunmetal

Heavy black antiquing over a nickel finish; a darker version of Antique Nickel.  
POLISHED

### Antique Copper

Dark brown antiquing over a mildly polished copper finish.  
POLISHED

### Polished Nickel

More highly polished version of Polished Silver; more polished recesses.  
HIGHLY POLISHED

### Polished Gold

Highly polished gold with matte recesses.  
HIGHLY POLISHED

### Antique Gold

Polished Gold with black antiquing in the recesses.  
HIGHLY POLISHED

TONE

## Two-Tone

Some of our products are available in two-tones.

That means we cast the item in two different finishes, colors of your choosing. The insert color or the smallest color option is chosen first and the base color second. The two-tone finish is an awesome way for you to customize our products to fit your personality.

## Leather Straps
